### Director's report - Kelsey Pruitt

1) Covid update: Mandating masks. Doorbell has been installed. Have probably had patrons who should have stayed home so asking two questions of all those who come in: have you been in close proximity to someone with covid and do you have any symptoms?

2) Service schedule proposal: Continue with appointments and have only 10 in the building at a time. Can accommodate walk-ups. Kelsey attended a school board meeting and has offered the library to help with computer access if needed. Will reassess schedule when the kids go back to school (Aug. 19). Will probably continue curbside service for those who prefer it. Two computers will be open at a time for work or business, no games.

3) Blind proposal. Have a bid from The Blind Man for \$4005. Motion by Singer, second by Yoder to accept bid and move ahead with new blinds for the whole library. Motion passed.

4) New non-resident card price. Voted to change price from \$65 to \$75 on a motion by Yeakel, second by Yoder

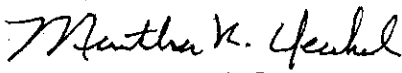

Bills were approved on a motion by Yoder, second by Singer.

### New business

The tentative budget was presented for approval and passed by voice vote with those present all voting YEA and other board members marked as absent.

Meeting was adjourned at 7:05 p.m. on a motion by Yoder, second by Yeakel.

Respectfully submitted,
